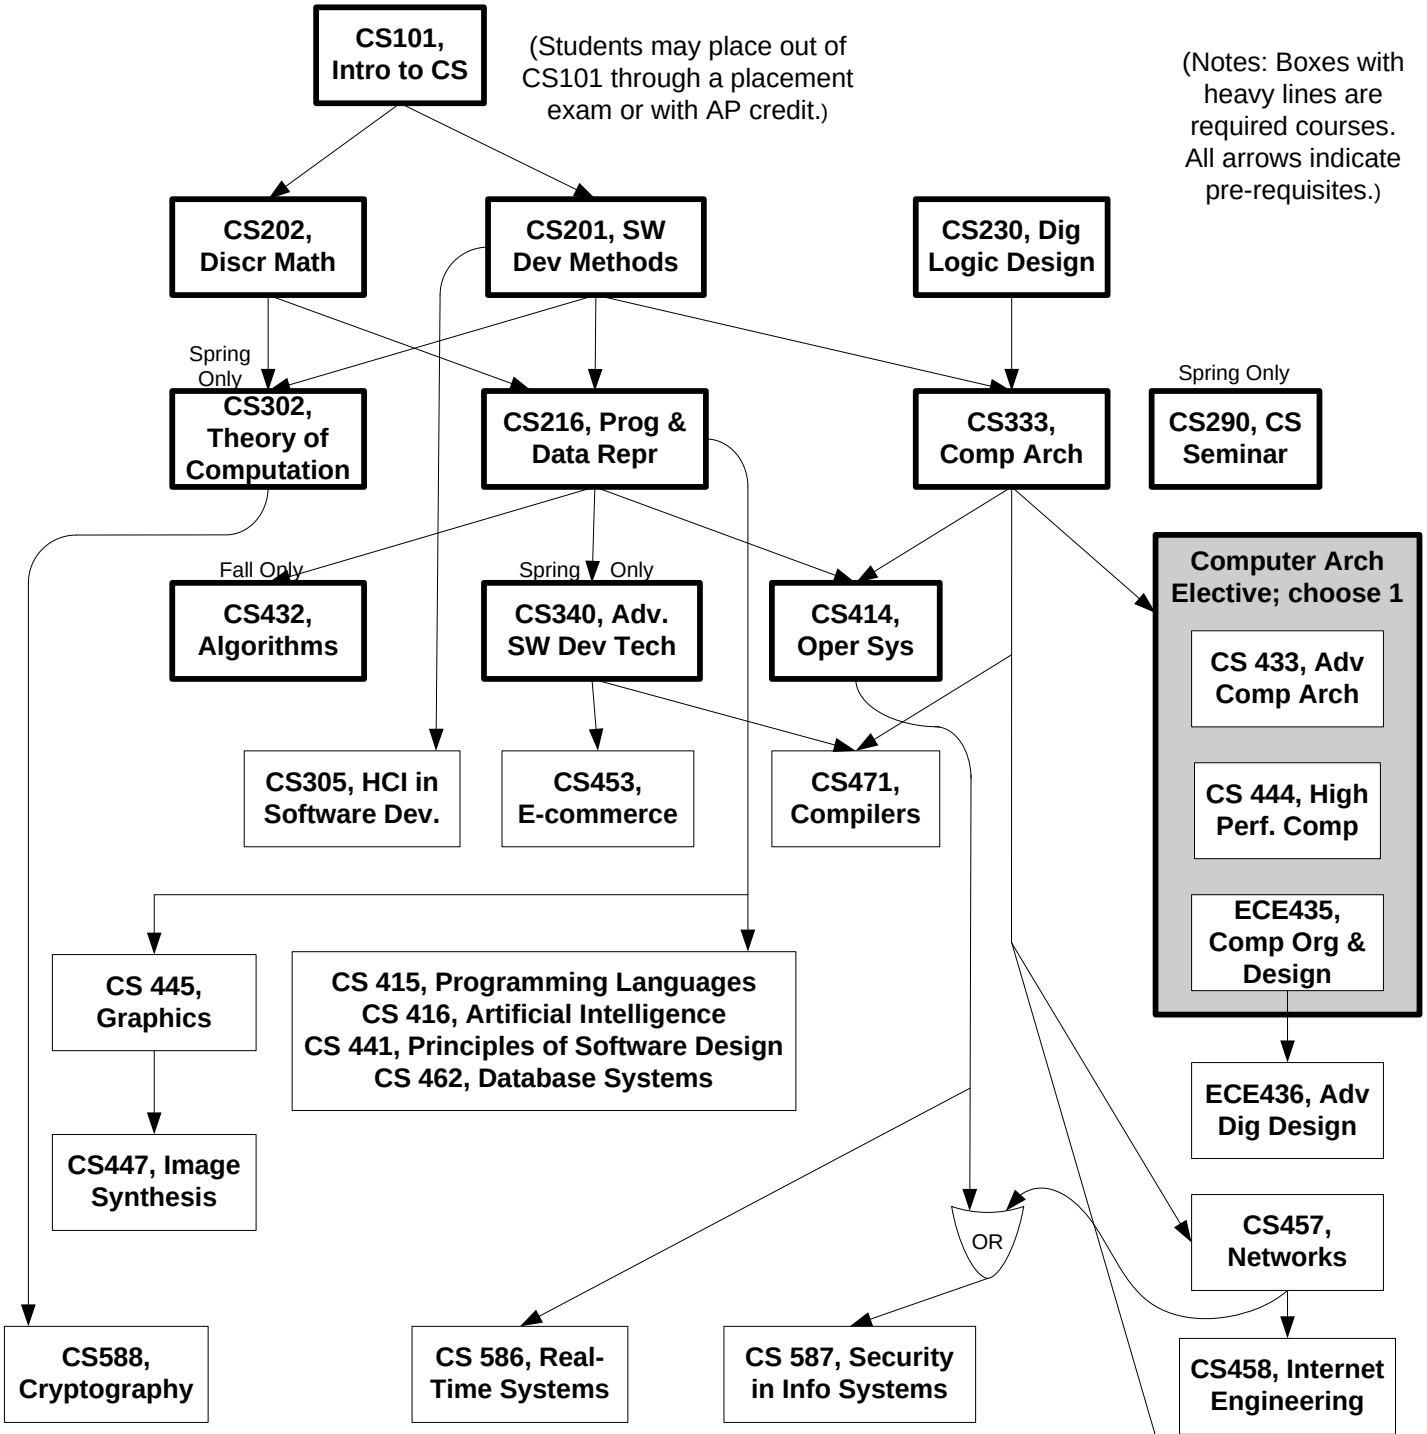
UVa BSCS Bachelor's Degree: Course Prerequisites

(Updated November 2007)



A number of courses have different content changed every semester, and thus their pre-reqs change as well. These courses are CS 351, CS 451, CS 494, CS 493, and CS 551.

(Note: CS451and CS500-level courses are undergrad courses that count as CS electives. Offerings change frequently. Pre-requisites vary.)
